

# InfiGifts for CasinoTrac

*InfiGifts is the flexible casino gifting technology that helps you run gifting events your way. It drives more players to your casino floor and generates a positive return on investment.*

InfiGifts for CasinoTrac allows you to run gifting events using your CasinoTrac system:

- Monthly Gifting
- VIP Gifting
- Points Shopping

## A Truly Digital Loyalty Rewards Experience

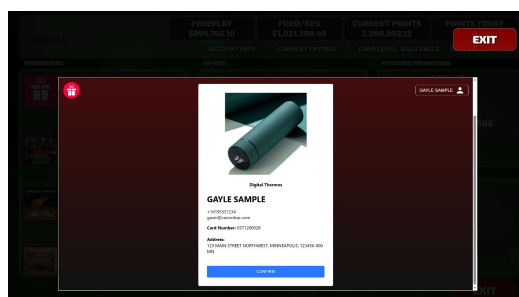

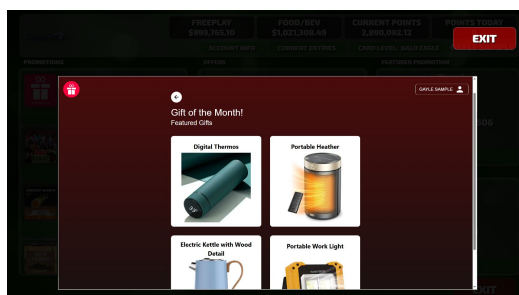

- Players can claim a wide variety of gift rewards.
- There is no waiting in line — gifts are delivered directly to the player's home address.
- Promotions can be tiered based on player spend value with the casino.
- All customer support for gift rewards is handled through the app.

CASINOTrac™

## Gift Categories

- Electronics
- Home & Kitchen
- Outdoor & Recreation
- Fashion & Accessories
- Travel & Luggage
- Health & Wellness
- Luxury & High-End Items

## Key Benefits

- **No large-scale gift purchases or purchase minimums required** – No purchase commitments necessary.
- **No gift logistics** – No need to plan for gift delivery to the property, freeing your staff.
- **No storage costs** – All gifts are delivered directly to players' home addresses.
- **No need for expensive staffing** – Redemptions are managed through the kiosk, eliminating staffing requirements.
- **No large-scale returns** – Only redeemed gifts are delivered, eliminating costly returns.
- **Gift optionality for greater ROI** – Players choose from multiple gifts, creating a better experience and improving ROI.

Enhance your casino's gifting experience with InfGifts for CasinoTrac!
